Payment of the charges for our services is the ultimate responsibility of the patient. Payment is expected at the time services are rendered, except when alternative arrangements are made in advance with us.

If you are unable to keep your scheduled appointments, we request that you call and cancel your appointments **48** working hours before your scheduled appointment time and obtain a cancellation#. If you fail to cancel your appointment before your appointment time and do not have the cancellation#, you agree to pay **$75.00** missed appointment fee**.
